In order to wish on a star, you have to be able to see the stars. Because of light pollution, it's nearly impossible to see stars in cities or even large towns or suburbs at night. Take a ride out to one of your favorite scenic spots, such as a mountain, field, or lake outside of the city. It'll be easier to see the stars out in nature.

3 Ways to Wish on a Star - wikiHow

Wish Upon a Star is a 1996 television film directed by Blair Treu, written by Jessica Barondes, and starring Katherine Heigl and Danielle Harris. It focuses on two teenage sisters that magically swap bodies because of a wish made on a shooting star.

Wish Upon a Star - Wikipedia

Hayley (Danielle Harris, Urban Legend) is an average teenager, a grungy braniac with no fashion sense. The only thing average about her sister, Alexia, (Katherine Heigl of TV's "Roswell") is her grades. But there's nothing average about the sibling rivalry that explodes when a wish makes them switch places.
