### **Enmity Ej Andrews**

Enmity by E.J Andrews could have been a fantastic, action-packed, and romantic read if only it had lived up to its potential. The novel opened up promising: it opens up just before the solar flare that destroyed most of the world takes place, and follows the story in alternating point of views of Hermia and Nate.

### **Enmity by E.J. Andrews**

Enmity is an exciting dystopian by debut author EJ Andrews. There's a lot going on with some great characters and very interesting family dynamics. I don't think I'll be continuing with the Enmity series but I think that Ms. Andrews is a talented writer and I'd definitely consider reading another novel by her.
